

Sample Itinerary

This is an example to give a rough idea of what your week will be like. Please note that these activities are subject to change and depend on how many volunteers are there during the week, project availability, weather, previous progress, etc.

Volunteers work roughly 6 hours a day. You will have about two hours of unstructured free time, and several cultural awareness exercises throughout the week. You can choose to do additional excursions like a trip to the Taj Mahal, or a camel or tiger safari, though these are not a part of the Globe Aware program. They are at additional cost, paid directly to local tourist operators. Let us know in advance and we can put you in direct communication with those who can arrange for you.
